San Mateo CA, November 1, 2022 — BayCon, the SF Bay Area's Premier Science Fiction and Fantasy convention will welcome MantiCon over the weekend of June 30 – July 3, 2023. BayCon's theme next year is "A Night at the Space Opera."

July 4th weekend will mark the first MantiCon to be held in the San Francisco Bay Area. BayCon, founded in 1982, is celebrating the 38th convention in its long history of fan-run events.

MantiCon is a science fiction and fantasy literature convention hosted by members of THE ROYAL MANTICORAN NAVY: The Official Honor Harrington Fan Association, Inc. (TRMN).
